To: Users of the Bibliography of Intervenor Compensation Decisions

From: Harriett Burt
Public Advisor

Attached is the Bibliography of CPUC Intervenor Compensation Decisions from 2002. This document contains summaries of the compensation decisions and summary tables of awards made to intervenors and the types of advocates and hourly rates awarded to them.

Decisions and rulings are available in Central Files, (415) 703-2045, and on our website, www.cpuc.ca.gov. The Public Advisor's Offices in San Francisco and Los Angeles have reference copies of all compensation and related decisions. For the full details surrounding awards of compensation, I urge you to read the entire text of the relevant decisions.

For a list of decisions and rulings from 1981-2001, see the original bibliography and respective annual updates that are available from the Public Advisor's Office.

In early 2004, the Public Advisor's Office published a new reference booklet for intervenors, the "Intervenor Compensation Guide". This guide, along with the "Guide for Public Participation" and the procedural guidance offered by the Public Advisor's Office, clarifies the formal hearing process and the intervenor compensation program for both new and experienced intervenors. See the Commission's website or contact the Public Advisor's Office for more information.
